

OSKA on “Forever Blue Tour” across Europe

Austrian singer-songwriter Maria Burger, known as Oska, channels her rich musical heritage into her debut album “My World, My Love, Paris.” Growing up in a bustling household filled with melodies and her mother's love for Irish tunes, Maria honed her skills on the guitar from a young age. Now based in Berlin, Oska's music blends luminous melodies, infectious rhythms, and poetic lyricism. Her debut album explores themes of love, heartache, environmental consciousness, and familial bonds with elegance and depth. Drawing comparisons to iconic predecessors like Edith Piaf, Oska's

music invites listeners into a world of introspection, resilience, and emotional resonance. Through her captivating storytelling and evocative melodies, Oska emerges as a voice of her generation, offering solace and inspiration in tumultuous times. As she prepares to embark on a sweeping European tour in October, her music continues to reverberate with authenticity and resonance, captivating audiences worldwide. With each performance, Oska transports her listeners on a journey of self-discovery and connection, leaving an indelible mark on the hearts of those who encounter her music.
